ESSENTIAL READING

For Speciality and Fine Chemical Managers and Buyers
Stay informed and one step ahead

Speciality Chemicals Magazine is the number one and longest published global magazine dedicated exclusively to the fine and speciality chemicals industries. Our unrivalled reputation for comprehensive coverage and perspective on the global chemical industry makes the magazine essential reading for everyone involved in this market.

Speciality Chemicals Magazine has the largest established global industry specific print and digital circulation with over 28,905 subscribers and bonus distribution to shows and events worldwide. These are personalised subscribers who have requested to be sent a copy of the magazine. This circulation has been built up over 38 years of publishing and has been cleared to European Data Protection Standards (EDPS) 2018. In addition to this personalised circulation, selected articles and industry news are posted on our website, social media sites and in a bi-weekly newsletter.

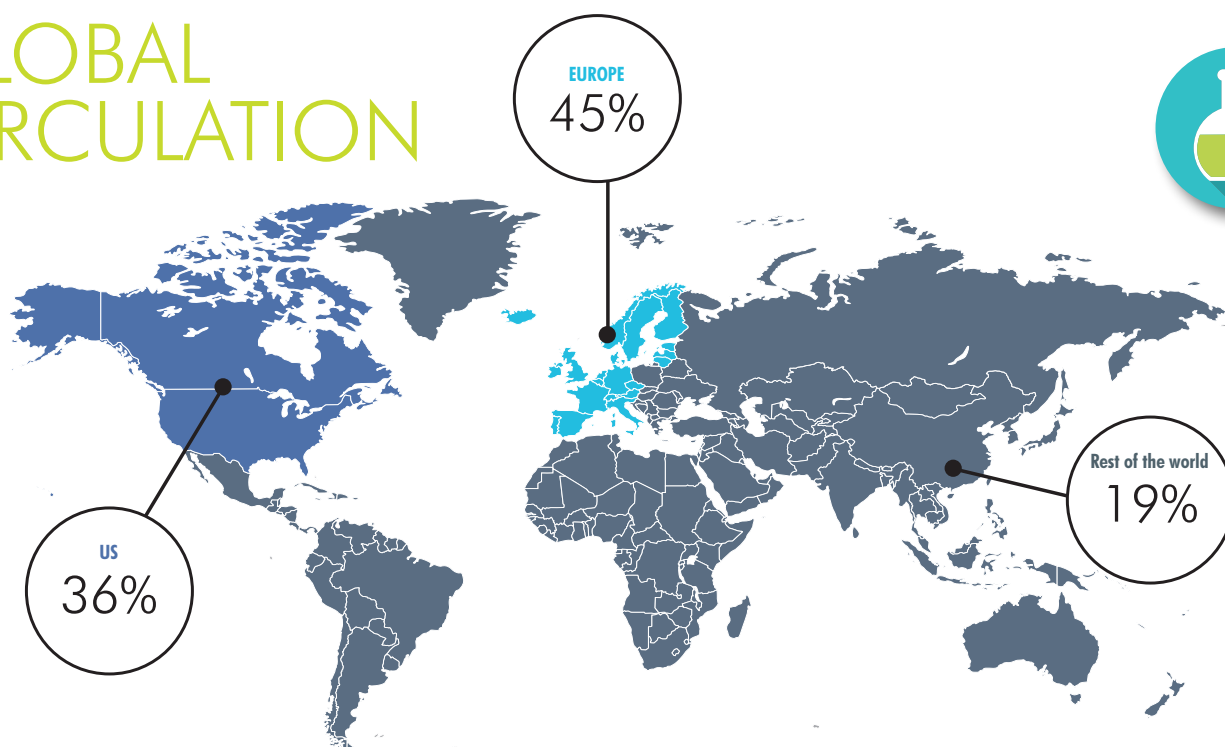

The magazine is also distributed to visitors and exhibitors at important events, promoting the magazine and its advertisers, widening awareness and expanding readership.

Our policy of engaging with and understanding the market is always attracting new readers who recognise the importance of the magazine. A presence at exhibitions, interviews with opinion leaders and site visits gives readers a trusted global perspective of their industry.
